**Languages:** French, English, Dutch

### **Practice areas**

Real Estate & Construction, Hotels & Leisure

### **Education**

- University of Louvain, UCL (Law Degree, 1998)
- University of Brussels, ULB (Master in European business law, 2000)
- Solvay Business School, ULB (Executive programme in real estate, 2005)

### **Why recommended**

Pierre-Axel's main focus is real estate transactions, property finance and insurance where he regularly advises Belgian and foreign investors, developers and financiers in their operations.

Pierre-Axel has particular expertise of the hotel industry and has conducted several interesting transactions in this sector.

He also has specialist knowledge in specific areas of practice, such as setting up incentive schemes for top executives and advising insurance companies on certain regulatory matters.

### **Relevant experience**

- Acting for a "green" investment fund in its acquisition of the first "green" office building in Brussels
- Advising on the sale of a former industrial site in the context of its redevelopment into a multi-purpose project (housing, retail offices) of approximately 45,000 sqm.
- Advising a well-known property lender in the financing of several real estate acquisitions and developments.
- Advising a UK financial institution in the financing of the acquisition of two five stars hotels in Belgium.
- Advising a worldwide insurance group in the structuring of its Belgian activities

### **Relevant publications**

Several publications on real estate
