Education

- Université de Liège, ULg (Law Degree, 1997)
- Katholieke Universiteit Leuven, KUL (Postgraduate in IP and IT law, 1998)

Why recommended

Renaud specialises in copyright, trademarks and patents; advertising; privacy; distribution law and commercial litigation.

His clients include multinationals in the retail, media and chemicals sectors.

He has broad experience of both contentious and non-contentious intellectual property; trade secret and unfair competition cases; advertising and other forms of commercial promotions

He is a member of both the Benelux Trademarks Associations and the AIPPI as well as the European Community trademark association (ECTA). He publishes and lectures frequently on IP-related topics and strategies. Renaud is recommended in the 2010 legal 500 edition as an IP specialist.

Relevant experience

- Assisting a major international broadcasting company with copyright-related issues
- Assisting an international fine chemical company with patent issues
- Conducting patent litigation for a major company manufacturing equipment for breweries
- Conducting trademark litigation for a large US chemical company

Relevant publications

- “Introduction au droit de la société de l’information” co-authored with Franklin Dehousse and Tania Zgajewski, Editions Juridiques de l’Université de Liège, 2002, 168 pages
