Corporate, Corporate – M & A, Infrastructure & Project Finance

Education

- University of Brussels, ULB (Law Degree, 1998)
- University of Brussels, KUB (Postgraduate in IP & IT Law, 1999)

Why recommended

Stéphane Collin's main focus is on private and public company restructuring where he regularly advises Belgian and foreign groups of companies in their equity (merger, contribution and transfer of branch operation, demerger of companies) and non-equity reorganisation or partnership.

Stéphane's experience includes assisting industrial companies in their construction project.

He has particular expertise of the steel and cement industry, and has acted in several partnerships and construction projects in these sectors.

Relevant experience

- Advising a European steel group in the conclusion of a joint venture with a Russian steel group
- Advising in the conclusion of several joint ventures regarding the building of wind farms in Wallonia
- Acting for a steel company in the revamping of a high furnace
- Acting for a concrete company in the construction of a new concrete plant
- Advising in the merger of public companies ("Intercommunales") in Wallonia
- Advising in the conclusion of a partnership regarding the construction of a power plant
- Acting for a French pharmaceutical group in the reorganisation of the group's Belgian companies
